Rotators

KM 03 S Rotator with shaft

KM 04 S Rotator with shaft

KM 04 F Rotator with flange

KM 06 F Rotator with flange

Brick Stack Grapples

KM 332V-1100 c Brick stack grapple – parallel squeeze

complete * with rotator, short hoses, upper suspension, compression rails and valves

KM 332-1000 c Brick stack grapple – parallel squeeze

complete * with rotator, short hoses, upper suspension, compression rails and valves

KM 331-1000 c Brick stack grapple – scissor grab

complete * with rotator, short hoses, upper suspension, compression rails and valves

KM 331-1200 c Brick stack grapple – scissor grab

complete * with rotator, short hoses, upper suspension, compression rails and valves

* basic tools individually available

Your advantage:

- ✓ Top Products now with Shorter Delivery Time
- ✓ Ready-to-Mount and Optimally Adapted Complete Packages
- ✓ Professional Tools for Professional Users

Pallet Forks

KM 401H-2000-500 Pallet fork hydraulically shifting

KM 401H-2000-600 Pallet fork hydraulically shifting

KM 401-1500-500 Pallet fork self balancing

KM 401-2000-500 Pallet fork self balancing

KM 414-2000-500 Pallet fork manual shifting

KM 414-2000-600 Pallet fork manual shifting

KM 415-2000-500 Pallet fork manual shifting

Universal Fork

KM 461-1500 c Universal fork

complete * with rotator, short hoses and upper suspension

PREMIUM line

Clamshell Buckets with *HPXdrive Standard*

KM 604HPX-250 c Clamshell bucket with *HPXdrive*

complete * with teeth, rotator, upper suspension, valves, 250 l volume

KM 604HPX-325 c Clamshell bucket with *HPXdrive*

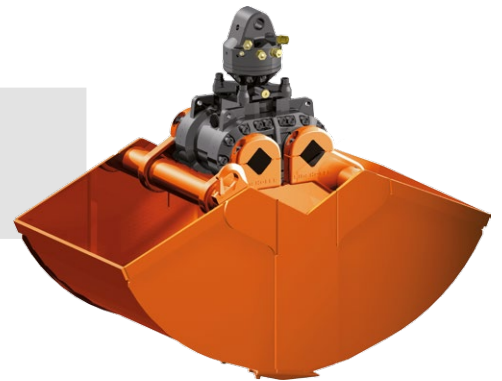

complete * with teeth, rotator, upper suspension, valves, 325 l volume

KM 604HPX-350 c Clamshell bucket with *HPXdrive*

complete * with teeth, rotator, upper suspension, valves, 350 l volume

KM 604HPX-450 c Clamshell bucket with *HPXdrive*

complete * with teeth, rotator, upper suspension, valves, 450 l volume

Clamshell Buckets with *HPXdrive Heavy Duty*

KM 605HPX-250 c Clamshell bucket with *HPXdrive*

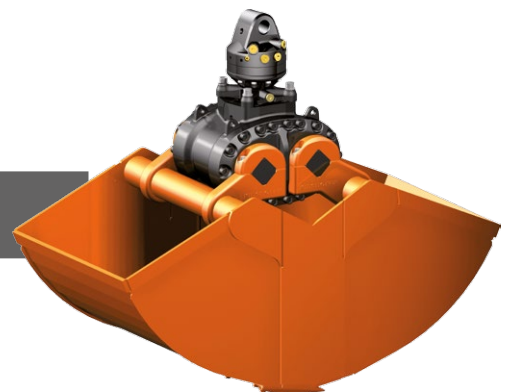

complete * with teeth, rotator, upper suspension, valves, 250 l volume

KM 605HPX-350 c Clamshell bucket with *HPXdrive*

complete * with teeth, rotator, upper suspension, valves, 350 l volume

KM 605HPX-450 c Clamshell bucket with *HPXdrive*

complete * with teeth, rotator, upper suspension, valves, 450 l volume

* basic tools individually available

Your advantage:

- ✓ Top Products now with Shorter Delivery Time
- ✓ Ready-to-Mount and Optimally Adapted Complete Packages
- ✓ Professional Tools for Professional Users

Clamshell Buckets with Horizontal Cylinder Standard

KM 604-250 c Clamshell bucket for daily routine jobs

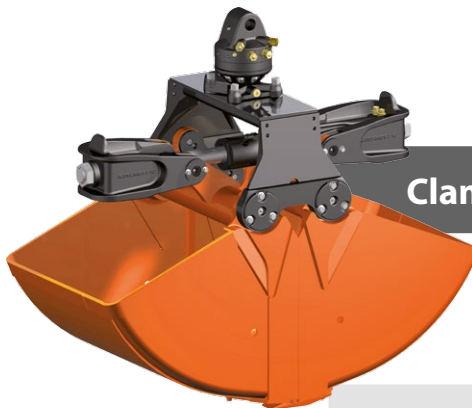

complete * with teeth, rotator, short hoses, upper suspension, valves, 250 l volume

KM 604-350 c Clamshell bucket for daily routine jobs

complete * with teeth, rotator, short hoses, upper suspension, valves, 350 l volume

KM 604-450 c Clamshell bucket for daily routine jobs

complete * with teeth, rotator, short hoses, upper suspension, valves, 450 l volume

Clamshell Buckets with Horizontal Cylinder Heavy Duty

KM 605-250 c Clamshell bucket for heavy tasks

complete * with teeth, rotator, short hoses, upper suspension, valves, 250 l volume

KM 605-350 c Clamshell bucket for heavy tasks

complete * with teeth, rotator, short hoses, upper suspension, valves, 350 l volume

Clamshell Bucket with Open Shells for Heavy Tasks

KM 605U-400 c Clamshell bucket with open shells for heavy tasks

complete * with wear plates, rotator, short hoses, upper suspension, welded hooks, valves, 400 l volume

PREMIUM line

High Volume Clamshell Buckets with Horizontal Cylinder

KM 602-500 c High volume clamshell bucket

complete * with rotator, short hoses, upper suspension, valves, 500 l volume

KM 602-650 c High volume clamshell bucket

complete * with rotator, short hoses, upper suspension, valves, 650 l volume

High Volume Clamshell Buckets with Narrow Bucket Carrier

KM 622-300 c High volume clamshell bucket

complete * with rotator, short hoses, upper suspension, valves, 300 l volume

KM 622-400 c High volume clamshell bucket

complete * with rotator, short hoses, upper suspension, valves, 400 l volume

KM 622-500 c High volume clamshell bucket

complete * with rotator, short hoses, upper suspension, valves, 500 l volume

Clamshell Buckets with Vertical Cylinders

KM 607-215 c Clamshell bucket

complete * with teeth, rotator, short hoses, upper suspension, valves, 215 l volume

KM 607-255 c Clamshell bucket

complete * with teeth, rotator, short hoses, upper suspension, valves, 255 l volume

* basic tools individually available

Your advantage:

- ✓ Top Products now with Shorter Delivery Time
- ✓ Ready-to-Mount and Optimally Adapted Complete Packages
- ✓ Professional Tools for Professional Users

Bottle-Bank Discharge Units for Containers

KM 920-12 Bottle-bank discharge unit for containers with **KINSHOFER** mushroom system

KM 921 Bottle-bank discharge unit for containers with **KINSHOFER** mushroom system or rings

The secure service of the bottle-bank discharge unit **KM 920-12** and **KM 921** can only be guaranteed by **KINSHOFER** GmbH in case the **ORIGINAL KINSHOFER FIXED and HOIST DISCS** are used on the container in the specified distance dimensions!

Barrier Lifter

KM 932MB-6/10 Barrier lifter for concrete barriers and blocks

Drive Units for Augers

KM 250-01 Drive unit for augers

torque 2331 Nm at 24 MPa

KM 250-03 Drive unit for augers

torque 4473 Nm at 24 MPa

KM 250-05 Drive unit for augers

torque 5166 Nm at 24 MPa

KM 250-07 Drive unit for augers

torque 7056 Nm at 24 MPa
